This three-bedroom semi-detached home is set within a highly sought-after cul-de-sac in central Lyndhurst, offering a wonderfully convenient location just a short, level walk from the village amenities.

19 Cedar Mount would benefit from a programme of modernisation, it presents an exciting opportunity for a new owner to update and personalise the space to their own taste

This well-cared-for three-bedroom home offers excellent potential and would benefit from a programme of renovation, giving the incoming purchaser a wonderful opportunity to modernise and personalise the property to their own taste.

On the ground floor, there is a spacious open-plan reception room enjoying an abundance of natural light from large windows. This leads through to a kitchen/breakfast room, along with a convenient downstairs WC.

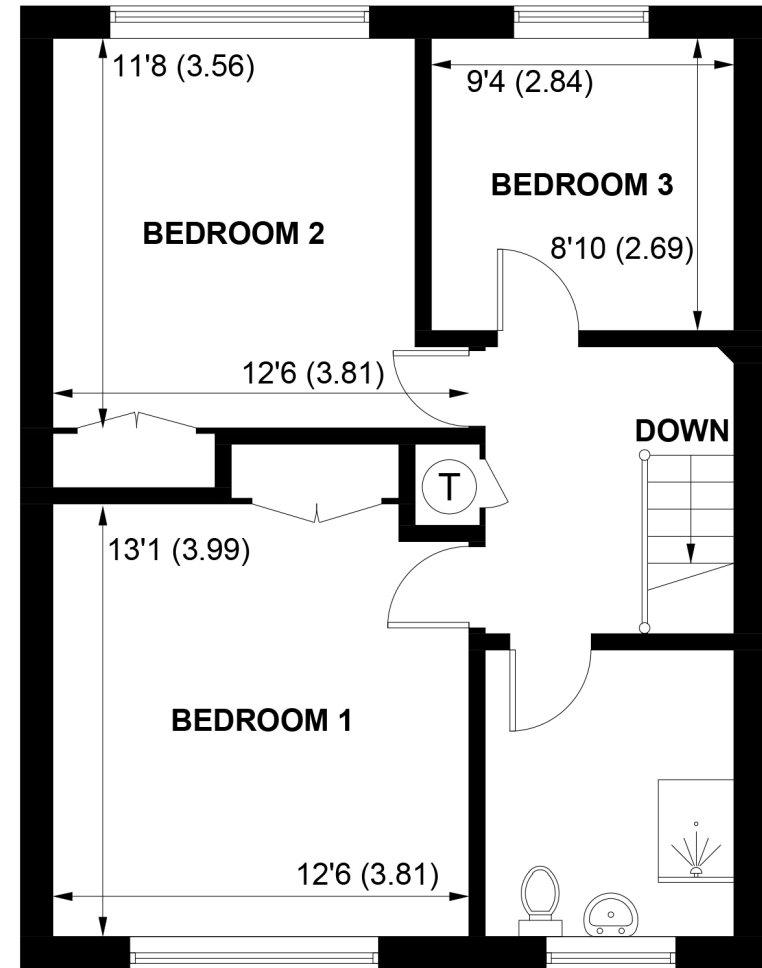

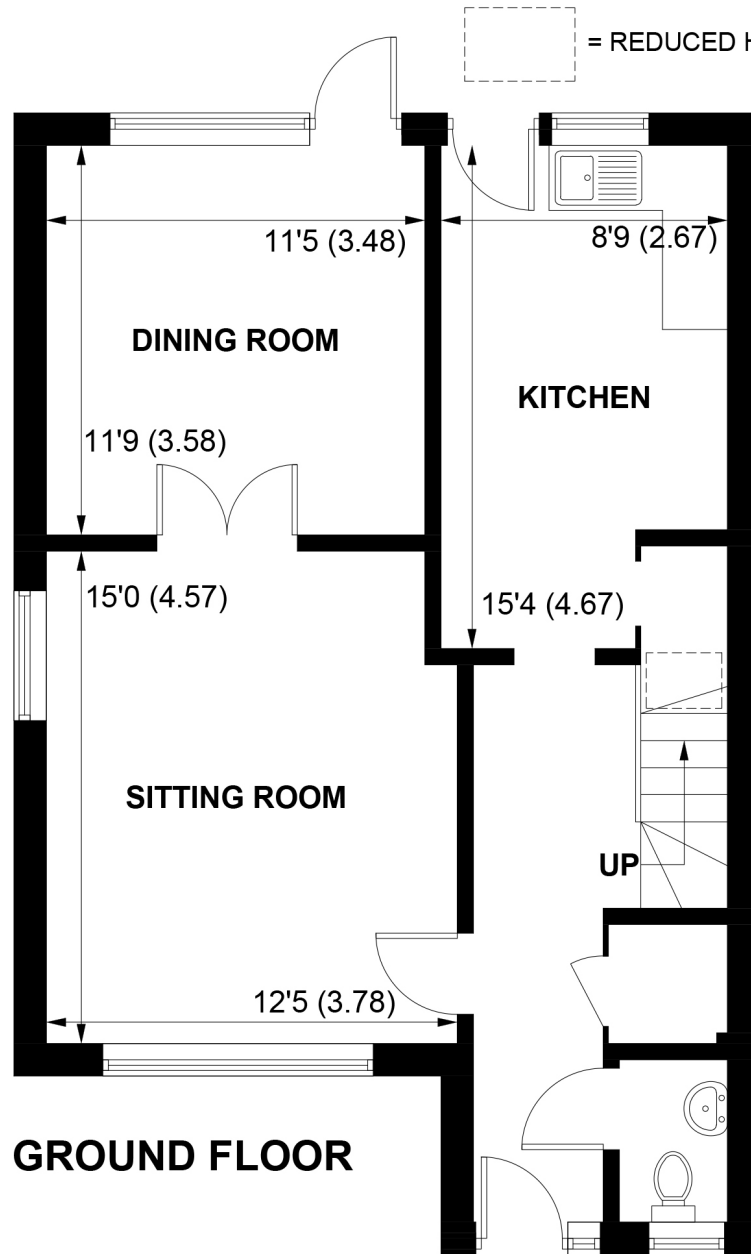

The first floor provides three well-proportioned bedrooms, all benefiting from good natural light, and a family bathroom.

Outside, the property enjoys both front and rear gardens. The rear garden is predominantly paved, creating a low-maintenance outdoor space ideal for seating or entertaining. A garage is also located within a nearby block.

Lyndhurst, often referred to as the capital of the New Forest, offers an excellent selection of boutique shops, restaurants, cafés, and public houses. The open forest is just a short stroll away, providing endless opportunities for outdoor activities while still benefiting from all modern amenities making this a truly desirable place to live.

We highly recommend a detailed inspection to fully appreciate the size, potential, and opportunity this property presents, and to avoid later disappointment.
