3D Virtual Tour Available- Take a closer, more detailed look around via our 3D Virtual Tour! Don't forget that you can also check availability for viewings online via a visit to our website... Our home in The Hollows is a modern, ready-made family house hidden within the tranquil setting of a quaint and unique leafy road in Bessacarr. Over the past few years we have significantly updated the property to meet our needs, but there is much further scope and space to extend to fit any family requirements. We are within walking distance of all local amenities, great schools and transport links. The generous, sunny, private and peaceful garden has been central to our lives here. The summerhouse has the benefit of mains electricity, which means we have been able to extend our sunny evenings and keeps the garden in use all year round. You will always find a sunny spot in this delightful garden. Making the decision to put our beautiful home on the market has been an incredibly difficult one; we will miss it so very much.
