Thorpe Paddocks

THORPE THEWLES

The exquisitely crafted homes at Thorpe Paddocks beautifully complement the surrounding area. Features such as rustic brick walls and intricate detailing including brick arches and exposed rafter feet are all designed to create an air of authenticity.

The surrounding beauty of the Tees Valley countryside is filled with an abundance of local wildlife, and provides the perfect setting for just 31 beautifully designed homes.

Design, materials, workmanship and exquisite detailing means every home at Thorpe Paddocks offers exceptional levels of specification with unique interior design options - allowing you to make yours a truly personal statement.

Location and Lifestyle

We know there's more to creating the perfect home than just the property itself. Finding the right location is just as important.

We are committed to choosing sites that offer something different. Sites with more established settings and character, creating a place for your perfect home.

Architecture and design

We are privileged to work with a talented design team to create our homes. Their talent gives every one of our developments it's own unique characteristics.

The design team works tirelessly to make sure every detail is right, indeed it is this meticulous attention to detail which sets us apart from others.

External materials

From the facing bricks to the roof finishes, the external material palette has been carefully selected to create its own style and character.

Our talented and passionate interior design team continually scour the world for emerging trends, materials and techniques to create dream homes to suit all tastes. Of course not everyone's taste is the same which is why Homes by Carlton will give you as much choice as possible provided you reserve your home at an early enough stage in the development.

Landscaping

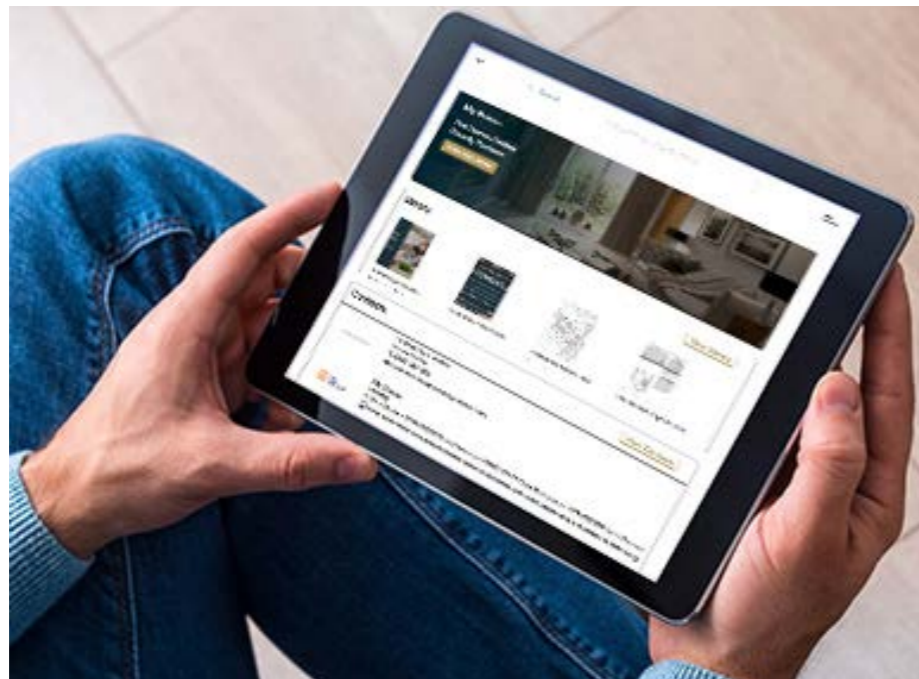

We think the exterior spaces of your home are just as important as the interiors - they complement the character of the house and provide a spectacular backdrop to your new lifestyle. We won't leave you to your own devices with your landscaping as many other house builders do - all of our homes featured turfed rear gardens and fully landscaped front garden - expertly prepared and ready when you move in.

Homes by Carlton Customer Care

We pride ourselves on the level of service and Customer Care we provide at Homes by Carlton. Each development has a dedicated Customer Care Manager to ensure you are entirely satisfied with your new home.

We are always looking for ways to improve and enhance our clients' experience, and to that end, we've introduced the Homes by Carlton Purchaser Portal, an online resource that enables every client to interact with us when it's best for them.

Aftercare issues can easily be logged and monitored, providing seamless communication throughout the purchase process and beyond, with all of the information needed for every stage in one convenient place. Our story

The Carlton Group of companies was founded almost 20 years ago and established a reputation for building high quality homes in the North East and Yorkshire.

We are now focusing our attention on more traditional family homes, drawing on the wealth of experience and expertise gained in the bespoke end of the housing market. The team are bringing a new level of style and sophistication to a much wider, but equally discerning client.

We pride ourselves on our ability to deliver levels of service and quality which is second to none within our industry.

Every home we build is treated as if it was for our own occupation. Working alongside our award-winning design team we spend hours carefully revising design details until they're just right.
