Planning Permission for Loft Conversion

Description

Occupying an elevated plot at the top of a popular cul de sac in the picturesque village of Sedlescombe, this spacious detached bungalow is very well presented with generous room sizes. All the principal rooms lead off the spacious entrance hall and the open plan kitchen/diner is a perfect space for entertaining and family living, this leads through to a sun room which takes in views of the well stocked gardens and fields beyond. In addition there is a separate reception room and two double bedrooms. The family bathroom is a modern suite with impressive roll top bath. Outside the property affords ample off-road parking leading to an integral garage and to the rear the gardens are deceptively generous, well stocked and back onto open fields giving the property a very rural feel.

Full planning permission has been granted for a loft conversion with dormer which would provide an additional spacious bedroom with en-suite bathroom and presents the perfect opportunity for the next occupants to extend this very comfortable family home. The village green with popular pub, post office, doctors surgery and primary school are all within walking distance as well as convenient bus routes. A more comprehensive range of day to day amenities can be found in Hastings and St Leonards, offering most High Street shops and supermarkets and nearby Battle offers a mainline railway station with services into London Charing Cross. Sedlescombe is within Claverham School catchment area. Viewing highly recommended.

Directions

From the centre of Sedlescombe, turn off The Street onto Brede Lane, passing the doctors surgery and taking the next turning right into Gammon Way. Turn immediately left into Streetlands where the property will be found in the right hand corner.
