

This deceptively large three bedroom terraced town house, set within a popular 2001 development, is spread across three spacious floors creating a generous home suitable for a family.

The property features a modern kitchen, downstairs cloakroom, and 15ft reception room at the back of the house, suitable for both living and dining furniture, with brand new fitted French doors overlooking the rear garden.

Rising to the first floor are two excellent size double bedrooms that both stretch 13ft across the width of the property, enjoying access to a luxurious family bathroom. The top floor of the property boasts the master bedroom, a huge walk-in closet, and en-suite shower.

Externally, a front garden with attractive plants and shrubs offers an inviting welcome into the home, whilst the rear garden is mostly laid to lawn with space for patio furniture. A gate leads to the garage beyond the back of the house, as well as ample residents parking.

The property is located within walking distance of three nearby grammar schools, as well as being an easy commute to Slough railway station and Heathrow airport.
