*** INTRODUCING 'VIRGINIA COTTAGE' *** Watsons are excited to present this prominent home in the village of Watnall which dates back to the 17th century. Sympathetically maintained, it has all the character you would expect, but is surprisingly functional, boasting 4 DOUBLE bedrooms, 3 reception rooms and multiple wash facilities. The desirable location enjoys beautiful countryside walks, yet still has easy access to a wealth of amenities & transport links, so you have the best of both worlds. The historic building is believed to have once been the local pub (the cellar & outer access support this) and has links to the RAF during the 2nd World War. In brief, the accommodation comprises: lounge, dining room, garden room, kitchen, snug, study, utility room & wc on the ground floor, with a cellar below. Upstairs, the landing leads to 3 double bedrooms, with one benefiting from the Jack & Jill bathroom, whilst there is a separate shower room and stairs which lead up to a further particularly generous double bedroom on the 2nd floor. Outside does not disappoint, with a generous lawned rear where there is a detached double garage along with off street parking, as well as a further brick built outbuilding. It has a high level of privacy and being South West-facing, it is a great space to enjoy the Spring & Summer. A well-tended lawned garden is a fitting tribute to this unique family home. This is a tremendous opportunity for a family looking for something truly special, to make it another much-loved long term home, so call us now to arrange a viewing.
