

ABOUT THE PROPERTY

Powells Barn was built on a period farmhouse and converted to provide barn-style accommodation.

A well proportioned barn conversion of part timbered brick elevations under a tiled roof and forming one of three properties around a courtyard and enjoying a fine rural aspect adjoining open farmland between Whaddon and Tattenhoe. The stylish open plan Sitting Room and Dining Room enjoys a bright aspect with windows and french doors to three elevations. Careful attention has been given to the choice of colours and materials throughout the property, notably to the main reception rooms where there is terracotta tiled flooring, a central brick open fireplace and chimney breast and dramatic white painted open vaulted ceiling. The well fitted Kitchen /Breakfast Room has a double aspect with views to both the front and rear of the property. A lengthy inner Hallway provides access to the Bedrooms and Main Bathroom.

There is a pump room housing the boiler which makes an ideal space to dry laundry due to its size, as well as storage cupboards and an airing cupboard. The entirety of the barn benefits from underfloor heating.
