## Mole End, Elmhurst, Lichfield, Staffordshire, WS13 8EX

# £450,000

This truly unique and individually built detached cottage was constructed in the early 20th century by the present owner. With the extensive garden plot which runs parallel to the access roadway and extending to perhaps some one acre in total, the property has a truly unique feel in this very individual setting. Lying close to the west coast mainline to the westerly boundary and otherwise surrounded by open fields, the property is perfect for those appreciating individuality and isolation. Despite that, the facilities afforded by Lichfield and Rugeley are within short driving distance and likewise the A38 and A515 provide excellent road links for commuting. With interesting scope and potential the property offers a unique opportunity and an early viewing would be strongly recommended.
