3D Virtual Tour Available- Take a closer, more detailed look around via our 3D Virtual Tour! Don't forget that you can also check availability for viewings online via a visit to our website... We have been involved with the property being built from the start and have therefore been able to make some nice additions and personal touches for example the two balconies to the third floor the re-design of kitchen/dining room and fitting a bespoke kitchen, also the addition of the Garden Room. The outside space has been totally landscaped with the bonus of the hot tub and gazebo and room for a BBQ and outdoor kitchen making summer BBQ's lots of fun.
