EXTERNALLY

To The Front

The property is approached from the adjoining county road into a side parking area with ample parking for 5-6 vehicles.

We believe that this area has planning potential for the erection of a dwelling (stc).

To the Side and Rear

The property currently benefits from side access through the rear area of woodland and scrub to the side of the river Teifi. A notable feature is the Leet with Former Water Wheel which has the potential for alternative energy technology.

FISHING RIGHTS
