This 'Bell & Pearson' home is particularly spacious. Situated on a corner plot, this house began its life with 2 bedrooms but a large 2 storey extension means that the house now boasts 3 double bedrooms and is larger than the typical 3 bedroom houses in the area. Whilst be neutrally presented, it's a fantastic opportunity for buyers looking to put their own stamp on a well built family home. The extension means that there's plenty of living space with a large 'L' shaped living/dining room, conservatory and a kitchen breakfast room ideal for hosting family and friends. Upstairs, the house is equally as spacious. The rear garden is low maintenance and being a corner plot, it houses a handy garage at the end of the garden. If space is what you're looking for then this chain free home should be at the top of your list!.
