

Take advantage of this extremely rare opportunity to move your family in to one of the most sought after streets in the local vicinity. Buffins is a charming cul de sac surrounded by green spaces which makes it the ideal area to raise your family. The houses on this street are rarely available as most residents tend to make these house their long term family homes. The area benefits from fantastic commuting links via Taplow train station (Elizabeth Line) which provides a direct link into Central London and is located just 0.8 miles away.

The property itself is a wonderful FREEHOLD family home which measures over 1000 sq ft. The accommodation is spread across two floors. On the ground floor you will find the main family lounge, dining room plus an extra reception room to the rear. The property has an extension to the rear which allows for extra living space downstairs. Completing the ground floor is the kitchen plus an additional space which can be used as a utility room. Upstairs is home to all THREE good size bedrooms and the main family bathroom. The bedrooms at the rear of the property have a stunning view over countryside fields.

This home includes a private rear garden which is mainly laid to lawn. There are ample parking bays available on the street which are on a first come first serve basis.

This home is being sold with NO ONWARD CHAIN and is ready to move at your desired timescales.
