The Property

The entrance hall is where the stairs rise to the first and second floor accommodation and a cloakroom. The dual aspect sitting room has a stove and front and rear aspect picture windows. The kitchen is a good size with ample fitted storage and space for a variety of appliances. A door leads to the dining room which gives access to the garden and is also open to the conservatory. There is planning permission granted to replace the rear of the ground floor with an impressive extension to offer an open plan kitchen/diner/living room and utility room.

The first floor has two double bedrooms, under-stairs storage and is served by the newly refurbished family shower room. A further set of stairs rise to the two attic bedrooms.

Grounds & Gardens

A block driveway to the front of the house with side access to the garden which is predominantly laid to lawn with a sun deck and pergola positioned at the end of the plot. This is a large garden with planning permission granted for a detached bungalow ideal to accommodate multi generational living or to provide an income if required.
