247 Kent House Road, Beckenham, Kent BR3 1JQ

This attractive Victorian family home, by todays standards, does require modernisation and redecoration but has been lovingly cared for and updated by the vendors who, initially when first purchased converted the home back to one house from two former flats. There is gas radiator central heating, replaced uPVC sealed unit double glazed sash windows and conservatory together with numerous original character features. This period home offers extensive accommodation for a growing family and could be easily extended further if required (STPP). Outside the house is set back from the road with driveway parking and mature front gardens, shared driveway then leads to a renewed garage and the rear garden, which is a particular feature being 140' deep, landscaped and ready to be enjoyed with garden pond and vegetable patch
