## The Property

Entering through a covered porchway, an impressive solid wood door leads into a welcoming kitchen/diner. This cleverly designed space blends contemporary living with its characterful surroundings and now offers a comprehensively fitted kitchen ideal for modern day living. The striking original AGA is complemented by an induction hob, integrated oven, microwave, dishwasher, wine cooler, walk in pantry as well as ample cupboard space. Space to the rear of the room houses a large dining room table where views over the garden are enjoyed. An internal door into the garage provides access to the utility area where there's further cupboard space, sink, space for another fridge/freezer and plumbing for a washing machine and tumble drier as well as a roof ladder for further storage.

Passing the stairs, a versatile area currently used as a hallway with feature fireplace leads through into the principal reception room. This large, double aspect sitting room with bay window benefits from a Clearview log burner ideal for the colder months whilst a patio door offers rear access for the warmer summer days. At the end of the room, steps lead up into a generous sized room (bedroom 3) with patio doors leading out to the terrace and an en-suite to the side comprising WC, sink and shower. The ground floor is completed by another adaptable room that's currently used as a study but could easily be the fourth bedroom benefiting from the adjacent en-suite shower room.

Stairs ascend to the first floor where an impressive triple aspect master suite benefits from stunning views across neighbouring fields. This principal bedroom is comprehensively fitted with floor to ceiling built in wardrobes creating a dressing area to the end of the room and a stylish en-suite with shower, WC and sink. The first floor is completed by a generous sized second bedroom with built in wardrobes (one housing the boiler) and a family bathroom with panelled bath, WC, sink and further storage cupboards.
