Property Description

Cutlers Place offers a range of detached, terraced, and semi-detached homes that were originally built in the 60's and 70's. The homes are within good school catchments and as a circular road there is very little traffic, making it an ideal location for families.

This particular property is located on the western side of Cutlers Place and offers well-proportioned accommodation throughout. The ground floor features a spacious dual-aspect living room, a modern fitted kitchen, an additional reception room/study, and a purpose-built conservatory, which provides access to the enclosed rear garden.

Upstairs, there are three generously sized double bedrooms, all with built in wardrobes, and a contemporary family bathroom. The home also benefits from full double glazing and a gas-fired, combi boiler, central heating. All electrics have been renewed throughout.

Garden and Grounds

The front garden offers generous driveway suitable for several vehicles and allows access to the attached single garage which has an up-and-over style door. The rear garden is beautifully landscaped and thoughtfully arranged to offer both tranquillity and functionality, including a greenhouse. A spacious lawn forms the central feature, surrounded by mature planting, flower beds, and established trees that provide a sense of privacy and seclusion. To the rear of the house, a large patio area provides an ideal space for outdoor dining, complete with a comfortable seating area framed by raised brick planters. A charming summerhouse and garden shed are tucked away at the far end of the garden, offering useful storage and additional relaxation space.
