The Local Area

This charming and picturesque town has been shaped over the centuries by its position at the confluence of the Rivers Avon and Stour. Features include waterside walks and parks, among them the Quomps, a grassland area frequently used as a venue for events, a Saxon watermill, 11th century Priory and 12th century castle ruins.

There is a thriving high street of quality independents, plus an excellent selection of bistros, cafes, pubs and restaurants, among them Captain's Club Hotel and The King's Arms. Christchurch is also home to the immensely popular Christchurch Food Festival.

The town attracts retirees, families and the active. Christchurch Harbour is ideal for paddleboarders, sailors and windsurfers, while families are drawn by the excellent schooling, including Twynham secondary school and sixth form college judged 'outstanding' by Ofsted.

Property ranges from character family homes and modern chalets to quayside developments. Communications are good: train services from Christchurch's mainline station take around two hours into London while the A35 provides access to road networks.
