Description

Maintained to an exceptionally high standard by the current owners, is this truly stunning, four bedroom detached family home situated in the ever popular Market Town of Wantage. This beautiful, light and airy property offers well balanced accommodation throughout and should be viewed internally to fully appreciate all it has to offer.

On entering the property a central hallway gives access to a spacious living room with feature bay window and double doors leading to the impressive c.26' kitchen/dining/family room. The kitchen is fitted with a range of grey gloss wall and floor mounted units complete with built-in appliances and five ring gas hob. The dining area has ample space for large table and chairs, and 'French' doors that open out onto the attractive rear garden. A study, and WC/utility area with space for washing machine and matching units complete the ground floor accommodation.

To the first floor you will find a superb master suite complete with a feature bay window, built-in wardrobes and modern fitted ensuite. There are three further double bedrooms, with built-in wardrobes to both the second and third bedroom, and a modern fitted family bathroom.

Externally, the west-facing beautifully landscaped and well-tended rear garden includes a large patio area which is perfect for outside seating and dining, and a manicured central lawn area bordered by wooden sleepers, and interspersed with mature trees; gentle outdoor lighting, and stone chippings surrounding the area complete the look. Tucked at the rear of the garden, behind the garage, is a section of hard standing ideal for a shed, currently being used for a hot tub. Additionally the property boasts a garage with power and light, and a driveway directly to the side of the home providing off road parking for two cars.

Constructed by Bovis Homes in 2020, the current owners have enjoyed living here from new and there are circa seven years remaining on the NHBC certificate. The property is freehold and is connected to mains gas, electricity, water and drainage. There is gas central heating and upvc double glazing throughout.
