Description

Set within the highly sought after village of Nunney, just minutes' walk from the Castle, this well-proportioned family house represents an excellent first or second time buy.

The front door opens into the entrance hall which provides access into the living room and the kitchen, whilst stairs rise to the first floor. The living room is a good size and features a wood burning stove. The kitchen and the dining room are positioned at the back of the house, enjoying a sociable and open plan arrangement. The kitchen and the dining room both overlook the back garden. There is also a large utility/boot room with plenty of extra storage, plumbing for utilities and doors leading onto the rear gardens.

On the first floor there are three well-proportioned bedrooms and a large shower room.

Outside

To the front of the house there is comfortable driveway parking for multiple vehicles. The garden lies to the rear, is a good size, fully enclosed and with a good degree of privacy. This space also benefits from a large outbuilding separated into three rooms including space for potting, woodwork and other hobbies. Currently a blank canvas, the space is low maintenance and represents an exciting opportunity for someone to make their own.
