Description

A light, well planned detached house situated in a good road on the edge of the popular village of Leonard Stanley. This location is well placed for the well regarded local schools, with the shops and amenities of neighbouring Kings Stanley within easy reach. Built by Barratt Homes, the property is their classic Hemsworth style build, with two good living spaces, four bedrooms and both bath and shower rooms.

An entrance hall, 16' sitting room, 17' kitchen/dining room with integrated appliances and glazed double doors than open on to the garden, utility room and cloakroom/W.c are on the ground floor. A staircase leads up from the hall to the first floor, with a landing, principal bedroom with en suite shower room, two more double bedrooms, single bedroom (ideal as a study, child's room or dressing room) and a family bathroom on this level. All of the bedrooms have full height fitted wardrobes. The property is sensibly laid out, with modern living in mind, and benefits from a very good EPC rating. One for your viewing list, and the owners have already secured a chain free property, so, all being well, you'll have an easy move into an easy to live in house.

Outside

The property benefits from a 19' integral garage, side by side parking and a large level rear garden. The garage is to the left of the front door, with side by side parking to the front of this and a lawned area to the side. A gated side access leads to the rear of the house and a larger than average garden, which can also be accessed from glazed double doors in the kitchen, than open out on to the generous plot, or a door from the utility room - perfect access away from the main living spaces with a muddy dog after a walk! The garden is level, with an open aspect behind. There is a paved area directly behind the house, and a useful shed. The lawn then stretches away from the property, and is edged with well planted borders and fencing.

Location

The property is located on the edge of the village and close to Leonard Stanley church and local amenities including a primary school, tennis court, cricket club and social club. Amenities at nearby Kings Stanley include a hairdressers and supermarket/post office. The nearby town of Stonehouse offers a wide range of amenities to include post office, local schools, supermarkets and butchers. The main line railway station provides a direct route to London (Paddington) and Junction 13 of the M5 Motorway is approximately three miles away. Stroud is also within easy reach and offers a more comprehensive selection of shopping, educational and leisure facilities, with an award winning weekly farmers market.

Directions

From our Nailsworth office turn left and proceed in the direction of Stroud on the A46. After approximately two miles at Lightpill turn left onto Dudbridge Road and proceed through the traffic lights to the roundabout by Sainsburys. Follow the signs in the direction of Stonehouse and the M5 Motorway. At the second set of lights turn left into Kings Stanley and upon reaching the village proceed past the Co-Op supermarket onto Bath Road. Take the next left into Lyndon Morgan Way. Follow this road through and then turn right into Clutterbuck Close. The property can be found a little way along on the right side.

Property information

The property is freehold. Gas central heating, mains electricity, water and drainage. The council tax band is E. We have checked the service and reception levels available locally through the OFCOM network checker and the broadband services available include ultrafast, and you are likely to have mobile and data services from the main providers (EE, Three, O2 and Vodafone).
