Situation

Milford on Sea is an extremely popular coastal village offering a range of boutique independent shops, cafes, bars and restaurants as well as a delightful swimming beach and excellent access to the open spaces of the New Forest and sailing facilities in Lymington.

The house sits on a quiet, no-through road and is less than three quarters of a mile on foot, via pleasant paths, from the centre of the village.

There is a primary school in the village and excellent independent schools nearby at Ballard, Durlston (both in New Milton) and Walhampton (nr Lymington). Nearby New Milton Station (4.5 miles) provides regular direct services to London Waterloo taking just under 2 hours.

Directions

From Lymington, head east on the Milford Road towards Christchurch. On reaching the village of Everton, turn left signposted to Milford on Sea. After passing the school, take the turning on the right into Manor Road and continue for approximately 400 yards before taking the turning on the left into Kitwalls Lane. Proceed round the sharp left hand bend and the house will be found after about 30 yards on the right hand side.

Grounds & Gardens

The house is approached over a private drive and parking area which lies adjacent to both the house and detached garage. The majority of the gardens lie to the rear. This outside space is beautifully landscaped and with the benefit of a southerly aspect enjoys sunshine all day long. Immediately to the rear of the house is a large paved terrace ideal for outdoor dining. The garden is level and laid mainly to lawn with close board fencing at the borders. In the garden is a fully insulated garden room complete with separate shower room. This building would make an ideal home office, studio or outdoor sitting room.
