The hall leads into the generous farmhouse style kitchen with Aga range cooker and a selection of freestanding and fitted storage. A single door leads into the hardwood conservatory which incorporates a utility room.

From the conservatory a door leads into the large ground floor bathroom with shower cubicle and WC. From the kitchen a further door leads into the study/family room. An inner lobby has the staircase to the first floor accommodation.

There are three double bedrooms and the bedroom to the front of the house has far reaching views across the adjacent farmland. The large family bathroom serves all bedrooms and has a bath, shower, WC and ornate original hand basin.

Grounds & Gardens

The approach is via a wooden five bar gate to a gravel front driveway. There is a mature hedge to the front boundary providing a high degree of privacy to the cottage.

A feature of note is the mature west facing rear garden. There is a wide variety of fruit trees and an avenue of pleached apples trees, a small wildlife pond and some specimen shrubs. A lawn pathway meanders throughout the garden. To one side of the cottage is a detached garage with electric door. A set of double gates between the garage and house lead to the rear garden. There is also a large timber workshop positioned behind the garage.
