

CASH BUYERS ONLY!

This property is currently derelict and open to the purchase of cash buyers only. The property sits on a large plot and offers the exciting possibility of a future building plot subject to planning permission.

Currently on the lad is a vacant house, double garage and brick shed.

The location is great for all potential investors with Burnham & Taplow train stations (Elizabeth Line) and several good local schools located within walking distance. Burnham High Street is also a short walk away from the property and provides access to all local amenities.

This potential purchase is perfect for a building developer or someone looking to build a large long term family home.
