The Hollies benefits from Forest Rights including Pasture and the rarely available Estovers, with 3 cords of wood.

Set behind an attractive mellow red brick facade the accommodation is laid out over two floors. All the principal reception rooms enjoy lovely views over the grounds.

At the heart of the home is a 'live in' country kitchen ideal for informal entertaining.

The sitting room with multi fuel stove and patio doors out to a terrace is a wonderful space to relax and can be enjoyed in all seasons.

There is a good sized separate dining room and a useful entrance hallway currently arranged as a pleasant snug. The ground floor is completed by a boot room and downstairs shower room.

A staircase gives access to the first floor with good sized landing leading in turn to the bedrooms. The principal bedroom has a wonderful balcony with great views over the grounds and the adjoining Golf course. The remaining four bedrooms are well proportioned and served by a family bathroom.

The majority of the gardens are laid to lawn within an array of herbaceous borders and shrubs. With the formal gardens is a Victorian covered well, which could be opened up as a feature.

There is a separate paddock with stabling. Along the rear boundary is a secluded walkway which leads to a wonderful stream side folly with raised viewing platform, offering stunning waterside and views over the second green on The Manor Golf Course. The gardens are delightful yet maintainable allowing you to enjoy the surroundings.

Bramshaw is a highly sought after village within the New Forest National Park. The latter is part of Bramshaw Golf Course, which comprises two 18 hole courses, The Manor Course and the historic Forest Course. Within the village is a small local shop.
