

Coming to the market for the first time, this well-maintained Three/four bedroom semi-detached family home is set within a popular residential close and offers plenty of scope for the future. Light and well-proportioned throughout, the property would now benefit from some updating, giving buyers the chance to modernise to their own style.

The ground floor provides a welcoming sitting room with a feature fireplace and parquet flooring, a dining room also laid with parquet flooring, a galley-style fitted kitchen, a spacious family room, and a useful ground floor shower room. There is also a separate study which is ideal for home working but could equally serve as a fourth bedroom if required. Upstairs, three comfortable bedrooms and a family bathroom complete the accommodation.

Externally, the property enjoys a good-sized front garden with a driveway offering ample parking and mature borders, together with a private rear garden laid to patio, lawn, and mature borders. A garage allowing for versatile use, including a home office or home gym.

Offered with no onward chain, this is a wonderful opportunity to secure a much-loved home in a popular location, with the potential to create a superb long-term family residence.
