A bright and airy L-shaped living room sits immediately in front of you with wood burning stove and large bay window with views over the garden and a door out onto the patio. Continuing up the hallway you are met with the principal bedroom offering built in wardrobes and similar lovely views over the garden. Bedroom two sits the other side of the hallway with views to the front. Both bedrooms are serviced by a large four-piece family bathroom close by.

The kitchen sits at the end of the hallway which in turn flows into a lovely conservatory with views and access to the other larger section of garden. The kitchen itself offers a host of base level and wall mounted units which further benefits from an integrated dishwasher and stainless steel one and a half sink overlooking the garden and Forest. There is further space within the kitchen for a Range Style cooker and American Style fridge freezer. The conservatory is presently set up as a dining area and features double doors that lead to the rear garden. With heating installed, it can be comfortably used throughout the year. The kitchen is complimented beautifully with a further utility room offering more storage units and space for both washer and dryer and a door to the garden.
