The Situation

Blashford is a charming semi-rural hamlet located within the New Forest National Park in Hampshire. The property enjoys close proximity to the scenic Blashford Lakes Wildlife Reserve and boasts picturesque lakeside views.

Just around a mile to the south lies Ringwood, a historic market town offering a wide array of amenities, including independent boutiques, high street retailers, restaurants, leisure facilities and excellent schools.

A short drive leads to the open forest, with over 10,000 acres of heathland and woodland—perfect for outdoor activities such as cycling, walking and horse riding.

For commuters, the A338 offers convenient access to the larger coastal towns of Christchurch, Bournemouth and Salisbury, while the M27 connects directly to Southampton. Both Bournemouth and Southampton host international airports and the M27 and M3 provide excellent connections to the wider region.

Grounds and Gardens

The property is accessed via steel gates (with power available), leading to a spacious gravel driveway that offers ample parking and provides access to the garage complex. Along the front of the property lies a vibrant rose garden offering a spectacular display of colour and a fragrant aroma.

The garage is divided into two sections: a large double garage with up-and-over doors and a games room, with separate access via patio doors.

Adjacent to the garage is a sizable summerhouse. Both the garage and summerhouse are fully insulated and could easily be converted into additional living space.

At the rear of the property, a large decking area wraps around two sides of the home, offering views of the rear lawns and the fishing lake beyond. The property also features a private, fenced garden area, whilst keeping the views over the lake.
