ABOUT WELWYN GARDEN CITY

Welwyn Garden City was founded by Sir Ebenezer Howard in the 1920s and designated a new town in 1948. It was aimed to combine the benefits of the city and countryside. Welwyn Garden City was an escape from life in overcrowded cities to a place of sunshine, leafy lanes, countryside and cafes. Emphasis was placed on the Garden City's healthy environment. Today the town centre is a busy and bustling place with a selection of shops. The Howard Shopping Centre is located in the centre, where you can find a selection of high street favourites including John Lewis and Marks & Spencer. There is also a Waitrose, Sainsburys and ALDI. There is also a quaint cinema, showing the latest films. If you fancy a spot of lunch the town is home to a plethora of coffee shops, independent restaurants and well known chains including the French restaurant Cote which overlooks the fountain and for a real buzzing atmosphere, Bills is a great place to meet friends. For those who like to lead an active lifestyle, there is everything from football pitches, golf driving ranges, indoor and outdoor tennis, to an athletics track, a public velodrome and a dry ski slope. There are also a number of gyms in the area. Sherrardswood Park and Stanborough Park are within easy walking distance.
