DESCRIPTION.

Renovated to an exceptional standard in recent years, this well-proportioned family house enjoys wonderful large gardens and a sought-after position within this popular village on the Somerset/Wiltshire border.

The front door opens into a spacious and naturally light entrance hall, the perfect first impression to the home.

Sets of double doors lead from the inner hall to both the sitting room and the playroom, both good-sized rooms offering a choice of reception areas.

The hub of the home is undoubtedly the kitchen/dining room. Filled with natural light via the twin aspect windows and doors, this open-planned area enjoys an outlook across the gardens and fields beyond. A very high spec range of wall and base units are topped with sleek worktops. There is an island with seating, extra worktop space, and an integrated induction hob. There are further integrated appliances including an eye-level double oven. Renovated in the last four years, the kitchen is modern and sleek. Ideal for family life and anybody who enjoys entertaining, there is plenty of room for a large table and chairs, and the newly fitted bi-fold doors spill out onto the gardens and the recently added Indian sandstone patio, creating a wonderful relationship between the indoors and outdoors space.

There is also a downstairs cloakroom, a well-appointed utility room and access to the integral double garage.

On the first floor the outlook only gets better with wonderful far-reaching countryside views to the rear. The gallery-styled landing gives plenty of natural light, thanks to the Velux windows and creates a wow feature for the property. The master bedroom is an impressive space with a good amount of built-in storage and an en-suite shower room. There are three further double bedrooms and a stunning family bathroom. Bedroom two also enjoys an en-suite shower room.

OUTSIDE

One of the key selling points for this house is the tremendous amount of outdoor space, 0.43 acres to be precise. To the front and side there is ample parking for multiple vehicles in addition to the double garage. The gardens are truly incredible and include a large Indian sandstone patio seating area that adjoins the doors of the kitchen/breakfast room, perfect for Al-fresco dining in the summer months. There is a very large, private and level lawn decorated by a number of mature trees, and a further seating area adjacent, which includes three attractive water features and has plenty of sunlight due to the size of the outdoor space. There is a large shed, perfect for storing all your tools and ride-on mower. Being set back from the road and backing onto fields, the gardens are peaceful and perfect for those with children and pets. A new addition within the grounds is a very high spec home office/studio which has been completed in the last 12 months and represents a versatile space and has the added benefit of power, heating and internet.
