DESCRIPTION

6 Wallbridge Avenue is a beautifully renovated three-bedroom Victorian House in a very sought after location.

With anthracite grey sash style windows and the original red brick facade, this house aesthetically combines old and new and is an exciting opportunity for a new owner.

The front door opens into an entrance hall which has exposed wooden floorboards under foot, something that continues through the majority of the downstairs.

To the front of the house with a wonderful large bay window, the living room includes exposed floorboards and an open fireplace.

The dining room is positioned in the centre of the house and features a door leading to the gardens, exposed wooden floorboards and a working woodburning stove.

The kitchen has been updated in recent years and offers a very stylish set of units topped with attractive white worktops. There is an integrated oven, dishwasher, four ring gas hob and extractor above. There is room for an American style fridge freezer and lots of built in storage.

To the rear is a very handy utility and storage area with plumbing for white goods and a Worcester boiler.

On the first floor is an impressive bathroom with a free standing bath and a separate double shower. There are three bedrooms, two doubles and one single, all with exposed floorboards.

OUTSIDE

The gardens lie to the rear and are fully enclosed and child and pet friendly. Immediately beyond the house is a seating area laid to stone chippings. Two steps lead down a lawn which is bordered on one side by well stocked flower beds and there is a greenhouse in the far corner.
