Description

Beech Barn forms part of an attractive complex of period farm buildings that are undergoing conversion into five individual properties offering varied layouts over one or two floors and all adjoining open countryside. The properties all benefit from all the latest refinements with high levels of insulation, warm roofs, air source heating, underfloor heating to the ground floor, luxurious fixtures and fittings, oak flooring, fully fitted kitchens and luxury bathrooms. Much of the original detail of the barn has been retained with attractive brickwork, blue headers and some flint work. The roof is newly tiled and highly insulated and Beech Barn enjoys a good sized area of garden to the front, a courtyard to the rear and up to two parking spaces. Although at the end of a long farm track, the barns are located just a short distance from Bexhill town centre with its range of amenities, station and seafront promenade.
