

Plot 1 Poppy Fields
Lower Eggleton Herefordshire HR8 2TZ

£545,000

• Luxury 3 and 4 bedroom detached Homes • Purchase off plan and design your own interior • Commutable to M5 and beyond

OVERVIEW

This small development of just 6 luxury, three and four bedroom detached properties occupying a very pleasant semi rural position, with all plots enjoying good size gardens. The site has been architecturally designed enjoying a modern contemporary feel, and having air source heating with underfloor heating to the ground floor, and radiators to the first floor. All purchasers will have the ability to purchase 'off plan' allowing the opportunity to choose own choice of kitchens and bathrooms (subject to budget), therefore allowing an individual purchaser to enjoy their own colours and styles which is very much like building your own property without the pressures.

Plot 1 is a large 3 bedroom design, enjoying a dressing room and en-suite to the master bedroom, whilst the ground floor enjoys a large kitchen, dining room, and separate large utility. Enjoying a plot size of .13 of an acre, it has a total square footage of 1,732 sq ft (161 sq m) of accommodation to include the garage. All properties have a full 10 year warranty and on site inspection can be easily arranged through ourselves as agents.

All plots have the opportunity to upgrade to solar to reduce running costs and this can include battery storage if required.

This development site is located in a very convenient position on the Worcester side of Hereford City, and being equally distant approximately 9 miles from both Hereford and Ledbury, this development is situated within easy access to the midlands and southeast via M50 and motorway networks which are available east Herefordshire. In more detail the specification to this site comprises as follows:
