Owner's View

When we first looked round this house we realized it needed extensive renovation and alterations to make into the great family home it has become. The house is very well situated sitting on ridge with far reaching views from the back especially in the Winter. The back of the house faces South and so it is a real suntrap. The front garden is very sizeable and well screened from Bawtry road. We have an ESSO Service station and TESCO within a very short walk and a CO OP nearby as well. Other amenities are available locally eg Doctor and Dentist. Bawtry road has numerous bus stops into Doncaster and further afield. Doncaster has very good motorway and rail connectivity as well.
