PROPERTY DESCRIPTION

This desirable investment opportunity is situated in a convenient position, Shelton Street running off Hockley Road via Tinkers Green Road close to its junction with the B5404 (former A5). All the usual amenities are within comfortable reach including regular bus services along Tinkers Green Road, local shops and schools.

Originally a terraced house the property has been converted into two self contained flats, individually metered & rated with individual external entrances which have been successfully let for a number of years. Both flats would now benefit from some upgrading to make an ideal investment opportunity. The accommodation provided briefly includes:-
