CHURCH FARM

CHURCH STREET, HILPERTON BA14 7RG

Church Farm is a collection of 12 beautiful homes in an eclectic mix of designs ranging from three to five bedrooms. The development is located in the charming village of Hilpertion, on the north-easterly edge of Trowbridge. Hilpertion has a thriving community with regular events held in the village hall, a traditional 18th-century pub, and a popular garden centre with café. The village is ideally positioned on the attractive western stretch of the Kennet & Avon Canal; part of a waterway joining London to Bristol, providing fishing, recreational boat hire and picturesque walks.

There is a regular and reliable bus service into the county town of Trowbridge, a bustling town with a historic past. Trowbridge has been connected to weaving for over a thousand years which has left a rich and notable architectural legacy, ranging from the late sixteenth century to the mid-nineteenth century. The town has a wide range of independent shops, restaurants, cafés, a multi-screen cinema complex, several supermarkets including a Marks & Spencer Foodhall, leisure centre with swimming pool, a thriving arts scene, and park. Trowbridge is also proud to be a Fairtrade town.

*The village of Hilpertion
was recorded in the Domesday Book of 1086.
The parish is bordered by the
wonderful Kennet and Avon canal.*

We are very proud of our reputation for building innovative, thoughtfully designed homes with generous living spaces, close attention to detail and high-quality workmanship.

Our goal has always been to build homes of unrivalled quality and specification that stand the test of time, and that our customers are proud to call 'home'.

When you buy from us you have the added reassurance of a 10 year structural warranty policy from LABC. This means that your new home is insured against any structural defects for the first 10 years.

“I wanted to tell you how pleased I am with my new home. The design of the house is great and unlike many new builds I have seen, Ashford Homes seem to have thought about space and light. In addition I want to say that both your site manager and your sales manager have both been more than helpful in the two months since I have been in my new home. Thanks for all your help.”

Mrs N

“Thank you so much Ashford Homes. I love my new house. Every part of the moving process was handled with care and efficiency and most importantly the quality and finish of the house is superb. Nothing has been too much trouble, either before or after the move, and that kind of service is hard to find in any industry let alone the housing industry. Having had such a great experience, I wouldn't want to buy a new home from anyone else.”

Mr D

“My wife and I are delighted with our purchase, location and quality of build are top quality. One of the best features of our dealings with Ashford Homes has been the friendliness and availability of your staff and directors.”

Mr and Mrs V

“Ashford Homes are definitely one of the best developers in the area. We've looked at lots of new builds and none of the others come anywhere near the quality and finish of Ashford Homes. They go over and above on build spec and offer a really friendly aftercare service.”

Mr S

“The quality of finish throughout the house, as well as the high standard of fixtures and fittings and the professional, caring attitude of the staff involved are but a few of the highly recommendable traits of an Ashford Homes property.”
