PROPERTY SUMMARY

This excellent detached property is conveniently located just off the B4203 in the parish of Tedstone Wafre, just 4 miles north of the popular market town of Bromyard, and also well placed for access to the cathedral cities of Hereford (19 miles) and Worcester (14 miles) with the M5 motorway link, and the historic towns of Stourport (12 miles) and Malvern (18 miles). The property is in the catchment areas for Clifton Primary School and The Chantry High School in Martley, however there are primary and secondary schools in Bromyard itself. Bromyard Downs are nearby and provide some lovely walks, as do the Malvern Hills.

The original cottage has been significantly extended and provides very spacious accommodation which extends to approximately 2100 sq feet, has oil central heating and double-glazing, but would now benefit from a degree of decorative updating and offers scope for further extension (subject to necessary planning consents). There is ample off-road parking and a large double garage, and mature gardens and grounds extending to approximately 1 acre.
