PROPERTY DESCRIPTION

MR HOMES are delighted to represent our clients in bringing to market FOR SALE this ideal starter home or perfect choice for downsizers in the much sought-after location of St Fagans. The property benefits from an allocated parking space to the front as well as a low-maintenance front garden and enclosed west-facing rear garden which is approximately half patio laid to paving slabs and half laid to lawn with a newly installed garden shed. The modern fitted kitchen provides the perfect space for preparing meals which can then be enjoyed in the Living Room/Diner or al fresco in the pleasant, private rear garden. Upstairs the property has two bedrooms, with the current owners utilising the second bedroom as a home office. The bathroom is a clean, fresh space with a panelled bath with shower attachment.

Moreover, the property benefits from gas central heating and uPVC double glazing throughout. Location is a major selling point of this property: The centre of St Fagans village is nearby with the St Fagans National Museum of History just over a mile away and Culverhouse Cross Retail Park is easily accessible too with it being under 1.5 miles to the south of the property. This means of course that there is also easy access to the city's major roads, including the A48 and A4232, variously providing access to Cardiff city centre and Penarth to the east and the M4 to the north. The property is also well serviced by public transport with stops for Cardiff Bus Route 13 into the city centre just metres from your front door.

Closer to home are green open spaces perfect for dog walking or enjoying with friends and family, and within comfortable walking distance (well under ten minutes) there is a parade of shops including a florist, post office and convenience store. Do not delay and book your viewing today for what will undoubtedly prove to be an extremely popular property.
