### ACCOMMODATION:

Pedestrian access is primarily via the formal front entrance, opening into a welcoming reception hall at the heart of the property. From here doors open in either direction to the ground floor living spaces, and a cloakroom with WC and wash basin is found at the end of the hall. There are two excellent size reception rooms enjoying plenty of natural light, connected by an opening to ensure sociable spaces that flow well, yet providing defined living and formal dining areas. The living room enjoys a pleasant aspect through sliding double glazed doors, to the rear garden, as well as a stone fireplace as a centrepiece. The generously proportioned separate kitchen is fitted with a comprehensive range of wall and base level cabinetry, contrasting worktops including a breakfast bar, and a stainless steel drainer sink. Integral appliances include an eye level oven/grill, gas hob and cooker hood over, whilst space is afforded for additional under counter white goods. The useful utility room is connected by an archway and features additional fitted cupboards, as well as further space for appliances as required.

Moving to the first floor, the central landing has doors opening to four well-proportioned bedrooms, three of which are comfortable double rooms and the fourth being a generous single. The particularly spacious primary bedroom benefits from a range of fitted wardrobes, as well as an en-suite shower room with WC, wash basin and shower cubicle.

### OUTSIDE:

Vehicular access at the side of the property leads to the driveway and single garage positioned at the back of the plot. Here you will find off-road parking for at least three cars, with additional secure storage or parking within the garage. A pathway leads from here, through the rear garden toward the house, framed by flower beds displaying a vibrant range of seasonal plants. A level lawn at the heart of the plot, affords families with children and/or pets a place

for recreation, whilst the large patio spanning the rear of the house ensures ample room for outdoor entertaining or dining, soaking up the sunny southerly aspect. A secluded area at the side of the house offers a further deck for outdoor furniture, as well as access to the substantial summerhouse. This has the potential to provide an office or hobby space as required, and an enclosed corner of the garden beyond is laid to artificial grass to suit play equipment.

### SERVICES:

Mains gas, electric, water and drainage are connected, and gas central heating is installed. The property is currently banded D for council tax, within Somerset Council. Ofcom's service checker states that good external mobile coverage is likely with four major providers, whilst Ultrafast broadband is available in the area.

### LOCATION:

Located a short walk from convenience stores and bus routes and approximately a 10 minute, mostly level walk to the High Street. Secondary schools include the renowned Millfield Senior School, Crispin School and Strode College. Shoppers enjoy the wide variety offered by Clarks Village Factory Outlets and there are a range of supermarkets and homewares stores within a short drive. Street is well served by doctors and dentists, has indoor and outdoor swimming pools, sports and fitness clubs and a popular theatre/cinema. A good selection of pubs and restaurants caters for almost every culinary taste and there are plenty countryside walks on offer nearby.
