

Boasting an abundance of potential for future extension this three bedroom semi-detached house is offered to the market located on one of Langley's most sought-after residential streets and is within walking distance of multiple local schools, as well as Langley station.

The property comprises front aspect living room, ground floor bathroom, separate kitchen with a single extension providing a large study space to the back of the house, overlooking a delightful rear garden.

The first floor features three good size bedrooms, the master expanding 16ft across the front of the house and offering fitted wardrobes.

The rear garden is of fantastic size and enjoys a high degree of privacy. The garden is mostly laid to lawn with trees and shrubbery borders. There is a lawn to the front of the house, driveway parking for two cars, and garage to the side.

The property would make an excellent purchase for a family due to the idyllic location and scope to extend (STPP). There is no onward chain allowing the possibility of a very quick sale.
