## Property Details

Walford Farm sat on the fringes of Wimborne town centre and this particular property was originally a cottage apart of that holding. It has since been passed down through the family and this is the first time it has come to the open market. The home occupies a generous plot with an elevated position which gives a natural sense of privacy. The accommodation has been extended within the last two decades and comprises of a kitchen, dining room, rear aspect living room, cloakroom and utility room to the ground floor, three bedrooms and family bathroom to the first floor and a master bedroom with en-suite to the second floor. The living room is partly vaulted and spans the rear elevation enjoying views across the rear garden and features a wood burning stove. The property has been entirely double glazed and benefits from gas fired heating.

## Garden and Grounds

The front garden is primarily laid to a brick paved driveway which is suited to several vehicles and there is a small area of lawn. A pedestrian pathway leads to the left hand side of the property and in turn provides access to the rear garden. The rear garden has been carefully planned with a patio area that spans the rear elevation, ideal for alfresco dining and there is a purpose built pad for housing a spa. Steps lead up to a kept lawn which extends to the rear boundary and is well stocked with a variety of planted borders and beds. Towards the rear boundary there is a wood built summer house and furthermore there is corrugated metal shed and the boundaries are clearly denoted by a selection of mature hedges and closed panel fencing.
