DESCRIPTION

2 Walnut close is a spacious and well-appointed end of terrace village centre home which is offered with no onward chain and enjoys an opportunity to purchase additional garden.

The front door leads into a spacious entrance hall which provides access into the study, the living room and stairs rise to the first floor. The living room is a good size and features a bay window looking over the front gardens and a fireplace taking centre stage. The study is a great multi-purpose space which could double up as a snug or a games room if a study isn't required. At the back of the house there is a fabulous, high spec, kitchen/dining room. Open plan in arrangement, perfect for family life and entertaining friends, there are a range of bespoke oak wall and base units that are topped with granite work surfaces. There is room for appliances and plenty of space for a table and chairs as well as additional comfortable seating. Dual aspect windows fill the area with natural light and patio doors open into the gardens, an excellent arrangement for al-fresco dining. There is also a good size utility room and downstairs cloakroom.

Upstairs are four double bedrooms. The master bedroom includes an en-suite bathroom and there is also a separate family shower room. There are two storage cupboards on the landing.

OUTSIDE

To the front of the house there is brick paved driveway parking with gardens to one side.

The rear garden is low maintenance, fully enclosed, child and pet friendly and includes a patio and a summer house.

ADDITIONAL GARDEN

An additional piece of mature and well stocked garden adjacent to the house (hatched in red) is available separately for £15,000 and would suit keen gardeners and with potential to have a cabin/home office arrangement.

ADDITIONAL INFORMATION

Gas and electric heating. All mains services are connected.
