GENERAL

Formerly part of a larger holding, the opportunity exists to purchase the main farmhouse and gardens, set within some 0.2 acres and also the adjoining paddock of some 1.7 acres. The property enjoys access onto the adjoining county road and we believe the property has excellent potential as a smallholding or a diversification for glamping/Airbnb subject to the necessary consent. All in all, a great opportunity for those seeking to get onto the housing ladder but also seeking to generate their own income potential.
