- Direct access into the main complex
- Ground floor retirement apartment
- Tall ceiling heights
- Council Tax - B

A rare opportunity to purchase a UNIQUE 2 BEDROOM GROUND FLOOR RETIREMENT APARTMENT in the highly sought after and convenient Old Moulsham area of Chelmsford.

This retirement apartment really does offer interesting accommodation not normally found with this type of property. It has over 8ft high ceiling heights, comprises an entrance porch, entrance hall, lounge, kitchen area, there are two bedrooms, and there is also a good size bathroom. It benefits from its own private entrance door direct from Moulsham Street and also has an internal door giving access into the main complex itself. Ideal for those retired buyers looking for the benefits of a retirement complex but looking for something just that little bit different.
