**Stylish Station-Side Living in the Heart of Hitchin.**

In a building of just 18 apartments, The Foundry offers something many larger developments can't - a more private, boutique feel in a smart, modern setting just a minute's walk from Hitchin Station. Built in 2018, it combines high-quality finishes with a location that puts both town life and London commuting within easy reach.

The ground-floor position makes day-to-day life easy, whether that's stepping out to catch your train, unloading shopping from the car, or simply enjoying the benefit of no stairs or lifts to navigate.

Inside, the 28ft open-plan living, dining and kitchen space has been designed to feel bright and sociable, with plenty of room for a dining table and a defined seating area. The kitchen blends style and practicality, with integrated appliances, generous worktop space, and sleek cabinetry that keeps everything looking streamlined.

The double bedroom is a comfortable retreat at the end of the day, complete with a built-in wardrobe to keep storage neatly handled. A modern bathroom serves the apartment, with a bath and overhead shower for quick morning starts or evening soaks - just as practical for everyday living as it is for unwinding after a busy day.

There's an allocated parking space for when you need the car, but with the station less than five minutes away on foot, you may find it left there for much of the week. With trains reaching London King's Cross in around half an hour, you can swap the car for a coffee and still be at your desk before colleagues have cleared the motorway traffic.

It's the kind of location where you can step off the train in the evening and be home within minutes - or detour through town for dinner on the way back.

Meanwhile the town centre's independent shops, cafés, restaurants and cobbled market square are a 10-minute walk away. And when you want green space, Bancroft Gardens and Oughtonhead Common are both nearby for a run, a walk or a moment to pause.

With no onward chain, it's a smooth and speedy option whether you're a first-time buyer, downsizing for an easier pace of life, or an investor looking for a ready-to-let property in a strong rental market (similar homes nearby achieving around £1,100–£1,200 pcm).

A stylish home in a well-connected town, this apartment is ready for you to move in and enjoy - or for an investor, ready to start earning from day one.
