Viewing recommended and strictly by appointment only.

Introduction

This incredible dwelling is offered by Hartly Ltd who combine sought after locations, traditional skills and contemporary designs to create generous, comfortable homes to be proud of.

Situated in a charming area of Bursledon with excellent transport links, local amenities, and a strong community spirit, this superb new build detached property is now available for sale. The property has an attractive design and is within close proximity to the River Hamble and famous sailing facilities, ideal for the discerning purchasers seeking a vibrant living environment.

This document is a Predicted Energy Assessment for properties marketed when they are incomplete. It includes a predicted energy rating which might not represent the final energy rating of the property on completion. Once the property is completed, this rating will be updated and an official Energy Performance Certificate will be created for the property. This will include more detailed information about the energy performance of the completed property.

The energy performance has been assessed using the Government approved SAP2012 methodology and is rated in terms of the energy use per square meter of floor area; the energy efficiency is based on fuel costs and the environmental impact is based on carbon dioxide (CO₂) emissions.

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills are likely to be.

The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO₂) emissions. The higher the rating the less impact it has on the environment.

Specification

THE LOCAL AREA

Bursledon is a picturesque village situated on the River Hamble in Hampshire, renowned for its outstanding natural beauty. Located within the borough of Eastleigh and close to the city of Southampton, Bursledon has a railway station, marina, dockyards and the Bursledon Windmill. Nearby villages include Swanwick, Hamble-le-Rice, Netley and Sarisbury Green. Old Bursledon is one of the Hamble's best-kept secrets. The River Hamble is an internationally-famed centre of yachting and motorboats, and boasts several marinas that offer extensive facilities for both residential and visiting yachtsmen. The village has close ties to the sea. The Elephant Boatyard located in Old Bursledon dates back centuries and is where some of Henry VIII's fleet was built. Submerged remnants of the fleet can be found in the River Hamble.

The village, particularly the Jolly Sailor pub and the Elephant Boatyard, were used as the primary filming venue for the 1980s BBC TV soap opera *Howards' Way*.

Bursledon's waterside location and woodland surroundings made it a natural location for building wooden ships. Numerous vessels were built for the Royal Navy at private shipyards at Bursledon. By the 1870s, the shipbuilding trade had disappeared from Bursledon and the main industry was arable agriculture, particularly the growing of strawberries.

Bursledon Windmill was built in 1814. The mill is a five storey tower mill with a stage at first floor level. The four Common sails are carried on a wooden windshaft, which also carries the wooden brake wheel. This drives the wooden wallower, located at the top of the wooden upright shaft. The wooden great spur wheel at the bottom of the upright shaft drives three pairs of underdrift millstones.

The Bursledon Brickworks, based in the village of Swanwick, was founded in 1897 and produced the famous Fareham red brick. Today it is the last surviving example of a Victorian steam powered brickworks in the country. The brickworks were sold to Hampshire Buildings Preservation Trust and can be visited as the Bursledon Brickworks Industrial Museum. Locally, there are several pubs and restaurants to try, but if you'd like to stretch your legs a little more, you can take a stroll to the waterside villages that line the Hamble's route to the sea. Visit them by water taxi, or head upriver in a tender to Botley for some truly spectacular scenery. The local church, St Leonard's in Old Bursledon traces its history back to the twelfth century. Local schools include Bursledon Infant and Junior Schools, The Hamble Secondary School and West Hill Park Independent day and boarding school for boys and girls aged 3 to 13 years. The area has excellent transport links via a train station, and the M27 motorway that links the neighbouring cities of Southampton, Portsmouth, and Winchester. Nearby Southampton Airport Parkway train station it is an approximately a 1 hour 20 minutes ride to London Waterloo.

The internal accommodation boasts four/five bedrooms, including a spacious master bedroom with en-suite shower room, built-in wardrobe and ample natural light. Bedroom two offers a generous space, built-in wardrobe, and en-suite. Two further bedrooms lead from the lovely landing space and there is a single bedroom with a compact layout which provides flexibility for various needs, which could be a study or nursery bedroom.

The main bathroom is fully tiled to the walls, bath and floor, has a handheld shower with glazed screen to the bath area, WC with concealed cistern and a vanity unit with wash basin and toiletry cupboard.

The two modern en-suites feature luxurious amenities such as fully tiled shower cubicle, chromium heated towel rail, vanity unit and finished with stylish Porcelanosa tiles, ensuring comfort and convenience.

To the ground floor in addition to the living area, there is an open-plan kitchen/diner which has a generous area for dining and is fully equipped with top-of-the-line Bosch appliances, kitchen island, wine cooler, Quartz countertops perfect for culinary enthusiasts.

A door leads to the utility room with space and plumbing for a washing machine and a further door leading to the external side access.

The living room is located towards the front elevation with window to the front and side aspect. There is a fireplace which has been built should a purchaser wish to add a log burning stove. (Please note a log burner is not included in the sale price).

This wonderful room has an abundance of light during daytime hours and equally ideal for those cosy evenings.

Outside...

The property includes a single garage with access door from the entrance hallway, which has a roller garage door, electric and light. There is private brick paved driveway with ample parking for several vehicles and a pleasant garden which has a raised area of lawn and paved patio area adjacent to the kitchen, ideal for entertaining.
