DESCRIPTION

Offering versatile living accommodation is this three bedroom semi-detached family home situated on the western side of the city. The property benefits from gas central heating, a large 100ft south facing rear garden and also offers parking for three to four cars.

p

On entering the property is a hallway with a window to the side and a space for coats and shoes. Leading from the hall are doors to both the sitting room and kitchen/diner. The sitting room benefits from a large window overlooking the front of the house and a wood burner as the focal point. An opening leads from the sitting room into the dining area which comfortably accommodates a table for four to six people and has sliding patio doors leading out onto the patio and garden beyond. The kitchen area, which is open plan to the dining area, has a range of ivory shaker style cupboards with wooden worktops, Bosch integrated electric oven, Neff gas hob, plumbing for both a washing machine and dishwasher and a space for either an undercounter fridge or tumble dryer. A peninsula unit divides the two distinct areas. From the kitchen is a door leading to a side passage which has a door to both the front and rear gardens and gives access to a w/c and two storerooms, both benefit from power and light.

From the hall stairs rise to the first floor with three bedrooms and the family bathroom. Two of the bedrooms are good size doubles, the first overlooks the rear garden, the second double overlooks the front of the house and the third bedroom, a generous single, has a front aspect. The fully tiled family bathroom has a white suite, with w/c, wash hand basin, heated towel rail and bath with shower above.

OUTSIDE

At the front of the property is off street parking for three to four cars.

To rear of the property is an enclosed south facing garden which extends to approx. 100ft. The garden is laid mainly to lawn with a few trees and shrubs and a patio area which is also accessed from the dining room. A door leads from the rear patio to the side passage and storerooms.
