FRANKLIN GARDENS

Property Description

Situated within a quiet cul-de-sac location and within easy access of the train station is this well presented and extended, three bedroom terraced family home.

The property has been well maintained and offers a well proportioned layout with additional benefits to include a conservatory, a fitted kitchen, a utility room and a cloakroom.

There is gas central heating along with double glazing, a decent sized garden to the rear and a green to the front for the smaller members of the family to play.

Upstairs the bedrooms are of a good size and the bathroom is ready to cater for the family's needs.

The integral garage gives you the choice of conversion to addition living space or for storage as well as parking the family car.

Being situated in this popular location, the property really does need to be seen to fully appreciate all its true benefits and as it is chain free, we suggest a viewing at your earliest convenience.
