Description

This attractive detached chalet style property occupies a desirable location on the outskirts of St Leonards, set within established gardens and grounds. Viewing is essential to appreciate the spacious and adaptable accommodation that is arranged around a large reception hall. The principle living/dining room measures some 20' and the kitchen offers ample space for a breakfast table and opens into a utility room. There is a ground floor bedroom and bathroom whilst to the first floor there are two bedrooms and a WC but it is thought the accommodation could easily be reconfigured to provide additional bedrooms and an upstairs bathroom, subject to any necessary consent. The property enjoys gas central heating and double glazing throughout with an extensive area of parking to the front with narrow access to the garage and workshop. There are gardens to the front and rear that offer seclusion, having been well planted. The rear garden is larger than average offering a predominantly level area of lawn.
