PROPERTY DESCRIPTION

Mursells Estate Agents are excited to offer this fantastic semi-detached cottage, which has been renovated throughout to create a wonderful modern home in the countryside between Lytchett Matravers and Sturminster Marshall.

The property is approached via secure electric gates leading to a large driveway providing off road parking for several vehicles, together with a double garage/workshop.

Through the front door is the large kitchen/dining room. This room is filled with natural light and is a great room for entertaining, with its underfloor heating, range of high quality units having integrated appliances and bi-fold doors leading onto a patio area into the garden for al fresco dining. The luxury of underfloor heating extends into the spacious living room that also has a fitted log burner electric fire giving this room the cosy feel. Bi-fold doors to the garden and stairs to the first floor. There is a room off the living room, which would make an ideal study or fourth/guest bedroom. Completing the downstairs accommodation is the practical and functional utility room and convenient downstairs w.c.

Upstairs there are three bedrooms. The master bedroom has a Juliette balcony giving spectacular views over the garden and surrounding countryside. There is an en-suite shower room to this room and a family bathroom, both of which benefit from the luxury of underfloor heating.

Outside, the landscaped garden is a delightful space for relaxing overlooking the adjacent open countryside.
