# Westgate Street

Southery, Downham Market, PE38 0PA

Offered with no onward chain, this end terrace house in Southery presents an excellent opportunity to modernise and add value. The accommodation includes 2 double bedrooms, bathroom, 2 reception rooms, kitchen with pantry and ground floor cloakroom. Externally there is a detached outbuilding, generous garage and parking and house and outbuilding have the potential to subdivide (subject to planning) — ideal for investors or buyers seeking future development scope. The property benefits from oil central heating and double glazing, but would benefit from further improvement throughout. Located within easy reach of Downham Market, offering shops, schools, amenities and mainline rail links to Cambridge and London. A superb project with plenty of potential.
